- **Emotion Sharing Circles:** In group settings, children take turns sharing their feelings and listening to others, promoting active listening and understanding.
- **Kindness Projects:** Engage children in activities like writing notes, making cards, or performing small acts of kindness to others.

Creative and Artistic Emotion Activities

1. Art Therapy Activities

Art allows children to express complex feelings non-verbally.

- **Emotion Drawing:** Ask children to draw what certain emotions look like or feel like inside their body.
