Balancing Work and Leisure

While completing the packet is beneficial, it's equally important to balance academic activities with relaxation and play. Incorporate outdoor time, family outings, and hobbies to ensure a well-rounded summer experience.

Parents and educators should consider:

- How motivated and interested the student is in completing activities.

- The quality and accuracy of completed work.
- Observable improvements in skills or confidence.

Adjusting for Future Summers

Based on observations and experiences, families can modify their approach for subsequent summers, such as:
