Quality and Relevance of Past Papers: An Investigative Perspective

- Historically, question formats have shifted from purely theoretical to more application-based and scenario-driven questions.
- Recent papers tend to emphasize practical problem-solving, reflective of industry demands.

3. Marking and Grading Consistency

- Examiner reports indicate efforts to standardize marking schemes, but inconsistencies can occur across different years and examiners.
- Variability in question difficulty necessitates a broad collection of past papers for effective preparation.

4. Authenticity and Potential for Misuse

- Access Inequality: Not all learners have equal access to authentic past papers, especially in resource-constrained settings.
