Supporting English language learners (ELLs) in a mainstream classroom requires intentional modifications that promote language development while ensuring content mastery. My approach combines scaffolding techniques, visual aids, and collaborative activities.

Strategies for Modification:

- Visual Supports: Incorporate images, charts, graphic organizers, and videos related to lesson content to provide context and aid comprehension.
- Language Scaffolding: Use sentence frames and vocabulary lists tailored to the lesson's key concepts, helping ELLs participate actively.
- Simplified Language: Adjust complex instructions and provide summaries to make content accessible without diluting learning objectives.
