Background and Context of the Memorandum

The Philippine Education Landscape in 2014

By 2014, the Philippine education system was undergoing significant reforms, driven by the

country's commitment to international standards and the K to 12 Basic Education Program. The K to 12 reform, which added two years to basic education, was intended to enhance the quality of education and better prepare Filipino students for higher education, employment, and entrepreneurship.

Within this reform framework, the Department of Education sought to refine and standardize the curriculum for various subjects, including English, to ensure consistency and quality across all regions. The memorandum issued on March 11, 2014, was part of this broader effort, focusing specifically on the English subject in the senior high school level.
