It is part of a trilogy that includes "Deadpool Kills the Marvel Universe," "Deadpool Kills Deadpool," and "Deadpool Kills the Marvel Universe Again." The series is notable for its departure from traditional superhero narratives, embracing a darker tone that explores the limits of Deadpool's psyche.

The concept originated as a way to delve into the character's violent nature and question the morality of comic book heroes. The graphic novel is often regarded as a form of meta-commentary on comic book violence and the nature of heroism.

Story Summary

The story begins with Wade Wilson, the mercenary with a twisted sense of humor and a penchant for violence, experiencing a mental breakdown. Driven by a desire to eliminate all Marvel superheroes, Deadpool embarks on a murderous spree targeting iconic characters such as Spider-Man, Wolverine, the Hulk, Iron Man, and many others.

The narrative is presented as Deadpool's internal monologue, revealing his deranged perspective and philosophical musings on power, morality, and chaos. As he systematically kills each hero, the story explores his psychological deterioration and the reasons behind his homicidal rampage.
